COLLECTIVE

SONG REPERTOIRE

Special & First Dance Songs

The songs listed below are intended to showcase the range of music Kiki Music Collective have performed over the years, many of which were arranged as one-off performances for specific events, venues or line-ups.

This list is provided as an example of our musical style and repertoire rather than a selectable song-by-song menu, as some tracks may only have been performed within specific medleys or arrangements.

If you would like a special request such as a first dance, we kindly ask for **at least three months' notice** so we can prepare and rehearse it to our usual high standard.

Additional song requests outside of your chosen medleys and included special requests are not part of our standard pricing, cannot always be guaranteed and may incur an additional fee to cover rehearsal, arrangement and performance preparation time.

We're always evolving and expanding our repertoire and love creating memorable moments for our couples and events.
